- The timings of our Zoom meetings are all announced as GMT (Greenwich Mean Time), not BST (British Summer Time).
- As agreed during the first meeting; all the meetings are being RECORDED and shared through youtube, especially for other UBI Advocates, who are not able to participate to that meeting.
- The PROPOSALS and CONTRIBUTIONS received from the participants of the previous meeting will be shared with all of you, as a separate message, before our meeting on 14th of April.
- VERY IMPORTANT : Sometimes, malicious people can somehow learn the password of a Zoom meeting, join that meeting and post inappropriate messages or videos. If it happens; we may have to end our meeting and re-open it in "Deminar" mode. In such a case; we plan to continue our work in "Deminar" mode, using a second link and you need to re-join the newly opened session. The corresponding connection details of the second link is also given below. (We hope, we do not need to use them.)

**Only, in case, we need to start "Deminar" mode; please click the link below to join the Webinar:**
